Tandoori Dishes

Tandoori dishes are the result of a combination of the style of tandoori food and the oven in which it is cooked. Tandoori dishes are marinated in yoghurt with selected herbs & spices and then cooked in a tandoor. The tandoor itself is a barrel-shaped, open-topped clay oven which is kept at a very temperature with burning charcoal. The process of cooking in this way seals in the goodness and imparts a unique and special flavour to the food. Served with green salad and a slice of lemon.
